

# ONGAGE DELIVERABILITY SERVICES

Delivering emails successfully to your client's inbox can be challenging, time-consuming, and mission-critical.

We want to help you with that!

That's why we're introducing "Ongage Deliverability Services."

If your emails are landing in the SPAM folder, our deliverability expert team can help you turn that around, landing your emails in the inbox.

# HOW WE DO IT?

We'll start by evaluating your delivery challenges, objectives, and the intricacies of your email program.

From there, our email experts create a custom deliverability plan to improve your email performance and increase your email program's ROI.

# THE SERVICE INCLUDES

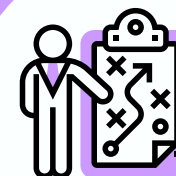

One-hour onboarding & deliverability strategy session.

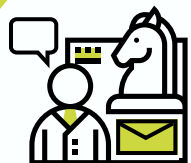

Bi-weekly 30-minute call with an email deliverability expert.

Actionable feature and functionality workflows to increase deliverability with Ongage.

Dedicated account manager suited to your geographic location.

Monthly deliverability assessment report with actionable recommendations.

# ALERT MONITORING

In addition, you'll get Alert Monitoring for key deliverability metrics, including:

- ✓ Inbox Placement.
- ✓ Sender Reputation.
- ✓ Bounce Metrics.
- ✓ Spam Traps.
- ✓ Authentication.
- ✓ Data Hygiene.
- ✓ Blacklists.

# HOW MUCH DOES IT COST?

**\$2,500**

**INITIAL AUDIT**

**\$2,000**

**MONTHLY**

(with a three-month commitment)

# GETTING STARTED

We offer a free educational introduction call.

The purpose of the call is to understand your situation better, providing you with a few tips and tricks, and explaining more about the service.

To launch the service, talk to your account manager or email us at [deliverability@ongage.com](mailto:deliverability@ongage.com) to schedule your call.

Health and happiness,  
**Ongage team**
